Dear Frank:

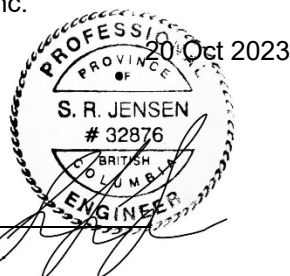

Status of 2013 Preliminary Economic Assessment for the Record Ridge Industrial Mineral (RRIM) Project

This letter was prepared in response to an inquiry by West High Yield (W.H.Y.) Resources concerning the continued validity of the Preliminary Economic Assessment (PEA) prepared in 2013 by SRK Consulting (Canada) Inc. (SRK). Specifically, your inquiry was directed at whether the resource estimate published in the 2013 PEA Report remains valid.

Given the fact that no mining has taken place at the property, that no revised resource estimate has been produced and no additional drilling has been completed, it is reasonable to regard the estimate presented in the 2013 PEA as both current and valid.

I trust that this response satisfies your inquiry.

Sincerely,
SRK Consulting (Canada) Inc.
